

# HCC Member Offer from FONE Communications

I'm not sure this exclusive member offer is for you, but it comes from one of our members - CFone Communications and we wouldn't want you to miss out.

We are working in an unprecedented time of change, where the need to work from home and save costs is at the top of all our To Do lists.

That's why CFone reached out to HCC members helping them work from home and save money.

Exclusive HCC members benefits package.

- Free consultation to help your company phone lines to work from home NOW!
- Free assessment of what you are paying for phones and could be SAVING!
- Free calls between staff working from home
- Free call conferencing between staff
- Guarantee NO contract, so HCC members can come and go as they please.

Every business wants a fair deal from their telephony provider. HCC believe this offer will help all our members in the following ways.

 <b>Save Money With CFone</b> Reduce your call costs and save on expensive line rental and equipment maintenance.	 <b>Increase Call Capacity</b> Never miss a call again with unlimited incoming lines and no engaged tones.	 <b>Answer Your Calls Anywhere</b> Make and receive calls anywhere you have access to an internet connection.
