HILLINGDON
BUSINESS
EXPO

WELCOME

At Brunel University London we very much value our links with local business. I am therefore delighted that the University is hosting the return of the Hillingdon Business Expo. A clear sign that we are all “back to business”!

There can be no better way of showing the University’s place at the heart of the community than through welcoming so many Hillingdon companies to exhibit on our campus, bringing visitors from all around the region to take part, and celebrating all that is great about doing business in West London.

When our friends at Ward Williams first mooted the idea of a business-to-business event seven years ago we never imagined that the Expo would so quickly and firmly become an annual highlight of the business calendar. Indeed, we were only ever talking about having a one-off event! All those involved – the organisers, sponsors, exhibitors and visitors – should be very proud of what they have achieved. This is a genuine partnership affair, made possible by a very large number of people across the Borough – from the chambers of commerce, large corporates, smaller companies, education, local government, the third sector and of course the University – all working together, giving their time and expertise for free.

Our involvement in this important initiative clearly demonstrates that as well as providing excellent teaching and world class research, our University is also active in promoting local economic development. We are proud to work closely with all those who make Hillingdon such a successful place in which to do business and are keen to do even more in the coming years. Our distinctive role has always been providing talent for local businesses and a first class learning experience for our students and graduates through obtaining internships, placements and jobs with the outstanding companies – large and small – who we are fortunate to have in Hillingdon.

I would like to thank everyone who has worked so hard to make the Expo a reality and also to the sponsors without whom, quite literally, this exciting project would not have been possible. My very best wishes to all the exhibitors, sponsors and visitors of the Hillingdon Business Expo.

Andrew Kershaw
Director of Business Engagement Strategy
Brunel University London

WELCOME

Welcome back to the Hillingdon Business Expo! We're finally back showcasing the very best of Hillingdon Businesses.

If Covid-19 has taught us anything, it's how quickly we have had to adopt new strategies, embrace new technologies, and cope with the ever-changing landscape. Mental health has been at the heart of the pandemic with having to work from home and live with social restrictions.

The Hillingdon Business Expo could not be timelier, and it's the perfect opportunity to get back into the groove of things!

Hillingdon Business Expo is an entirely FREE event for local businesses. FREE entry, parking, exhibitors stands, lunch, speed networking, speakers, entertainment, reception drinks and much more. This is only possible with the generosity of our Sponsors.

So come along and make the most of the day! It is your chance to get face time with fellow businesses and make new contacts.

Don't forget to bring your business cards!

Pally Randhawa
Vice Chairman
The Hillingdon Chamber of Commerce

EVENT PROGRAMME

The Hillingdon Business Expo returns on 26th May 2022, celebrating getting back to business after a two year absence.

With over 50 exhibitors and more than 1,000 visitors from local and regional companies, as well as the general public, a warm welcome awaits at Brunel University London campus in Uxbridge.

The last two years have seen the biggest changes in how we work than ever before. With this in mind there are 3 speakers at this year's event who will focus on Net Zero (*Mark Jenkinson of Crystal Associates and Lucy Higson of Advanced UK*), Communication (*Mark Hodgkinson of Cfone*) and Coping with Anxiety (*Dr Rina Bajaj*).

There will also be all day networking opportunities, two *Business Speed Networking* sessions, *business opportunity board*, *business card prize draws*, a *VR Experience*, *Uxbridge FM* will be interviewing exhibitors and visitors, free *BBQ networking lunch*, entertainment by *Dippy* the magician, music by *Pimp My Jazz* and a complimentary evening *drinks reception*.

Hillingdon Business Expo showcases all that is good about doing business in the Borough of Hillingdon and 2022 is no exception, promising a day of fun, sharing ideas, advice and making new contacts.

AKR. ASPIRATION. KNOWLEDGE. RESILIENCE.

Inspired by Akshay's personal goals around revolutionising support for the disadvantaged people; championing and supporting employability skills training, on the job learning and self employment – we are here to challenge youth mindsets around work, for the better. We are an empathy-driven, social impact recruitment organisation that support young and disadvantaged people into work through employment, traineeships and apprenticeships – and direct employability/self-employed skills training. In just one year, we have indirectly brought together over 1,000 job vacancies and over 800 employers to thrive, together.

We are "by young people, for young people".

A NOTE FROM THE EXPO DIRECTOR

I started working with the Hillingdon Chamber in August 2020 after the Expo had been cancelled for that year. I heard a lot about the event from exhibitors and sponsors who were disappointed it could not take place but, I have to confess, I did not know much about the Expo at the time. So when I was asked to be this year's Director I didn't realise quite what I was agreeing to!

The planning Committee's first meeting was in February, after Brunel kindly gave the go ahead. I learnt some time later that planning usually starts in November, so with a three month delay, the launch of the Chamber's new website, a new CRM and covid measures still in place it is fair to say we have overcome some challenges!

It has been an absolute honour that I have had the opportunity to be involved and, three months later, I now know what the Expo is all about. The event is brought to you through collaboration and teamwork, reliant upon the generous time, money and passion for the business community within the Borough, without which, the Expo would not be possible – thank you to all who have participated. I would like to make a special mention to **Honor Carrigan** for providing the admin support, going above and beyond the call of duty. Lastly, but certainly not least, **Pally Randhawa, Seb Jenner (Expo Producer and Brunel Liaison)** and **Sarena Harwood of Ward Williams** for sharing their knowledge, experience, constant support and patience throughout the whole planning process, being my sounding board and maintaining my sanity!

I hope you will ALL join me for a well earned celebratory drink as we close the 2022 Expo at 4.30pm!

Kim McGearty
